Mythos

Owner | Oct 2019 - Present

I run Mythos, a creative consulting agency specializing in UX design and branding. We partner with companies to drive growth and communicate value. We create meaningful and impactful experiences.

Eaze

Senior Product Designer | May 2017 - Oct 2019

I led design for the entire consumer team, including Eaze.com and both mobile apps. I ran all UX Research, created core design systems and processes, and helped build out the product team.

Zenefits

Senior UX Designer | Jun 2015 - Feb 2017

I helped build the design, copy, and QA teams. I led design on the API platform, signup workflow, and other projects. I led integration efforts between the product, engineering, and marketing departments.

3D Hubs

Lead UX Designer / Front-End Engineer | Jan 2014 - Mar 2015

I created, staffed, and led both the design and front-end engineering departments. I redesigned the consumer facing product and rewrote most of the front-end platform.

Sony

Interaction Designer | Jul 2012 - Jul 2013

I designed system apps for the worldwide launch of the Playstation 4. I led initiatives to unify app experiences across Sony gaming systems, including the PS4, the Vita, and Sony interactive TVs.

Mindbody

UX Designer | Feb 2011 - Jul 2012

I established and build the UX and User Research teams. I led the complete redesign of Mindbody’s client facing app, as well as the iPhone & Android apps, consumer shopping cart, and Facebook app.

Blue Nile

UX Designer | Feb 2010 - Feb 2011

I initiated user research at Blue Nile and led mobile design, search, and the shopping cart redesign. I created a process to photograph and display a live feed of all recently purchased engagement rings.

LEVEL Studios

Graphic & Motion Designer | Oct 2006 - Jun 2008

I led website launches for international product releases, rebranding for international companies, and motion design on commercials. Clients included Apple, HP, Quiksilver, Compaq, Motorola, and Cisco.
